

Faith

Lent 2024

Static Faith

What do we hope for that is made real through Christ?

What don't we see? How do we have proof for things we do not see?

People in the Old Testament times were saved through faith. How do we explain that since Jesus hadn't been born?

Dynamic Faith

To what degree do you think you can confidently defend a belief in miracles?

How is a commitment to right worship an expression of faith?

How does righteous living demonstrate our confidence in our eternal state?

Pleasing God through Faith

Why can't you please God without faith?

Don't people without faith do good works?

How does faith result in eternal reward?
